

**We field four exhibitions per year. Spring/Summer/Fall & Winter. Each show is hung for approximately three months. We open each exhibit with an artist talk and reception, generally held on a Saturday evening.**

**Solo Submissions:**

We look for art that has a close connection to our region and encourage artists interested in submitting their work to contact us.

**Group Exhibits:**

If you belong to a group of artists and would like to submit a concept for a group show, please contact us.

**Sponsored Exhibits:**

We are always open to collaborations with regional non-profit arts organizations to sponsor exhibits.

**Suggest an Artist:**

We welcome any suggestions from patrons who know of artists they feel would wish to exhibit.
